*\*You are applying based on nominations by EA Registered Local Voluntary Youth Organisations at the point of application as part of this process, which may be subject to registration verification. If successful, this award value may be subject to change/review by your funding officer (increased or decreased award) at conditional offer stage based on verified nominations at that point. This will also include annual review throughout the period of the award and a review of proportionate mechanisms to support the allocation of funding to meet assessed need.*
