

Post Project Survey

**Ulster
Wildlife**

Date Name

Starting in the centre, shade the number of dots on the flower which best applies to the statement. 1 dot is a little and 5 dots is a lot.

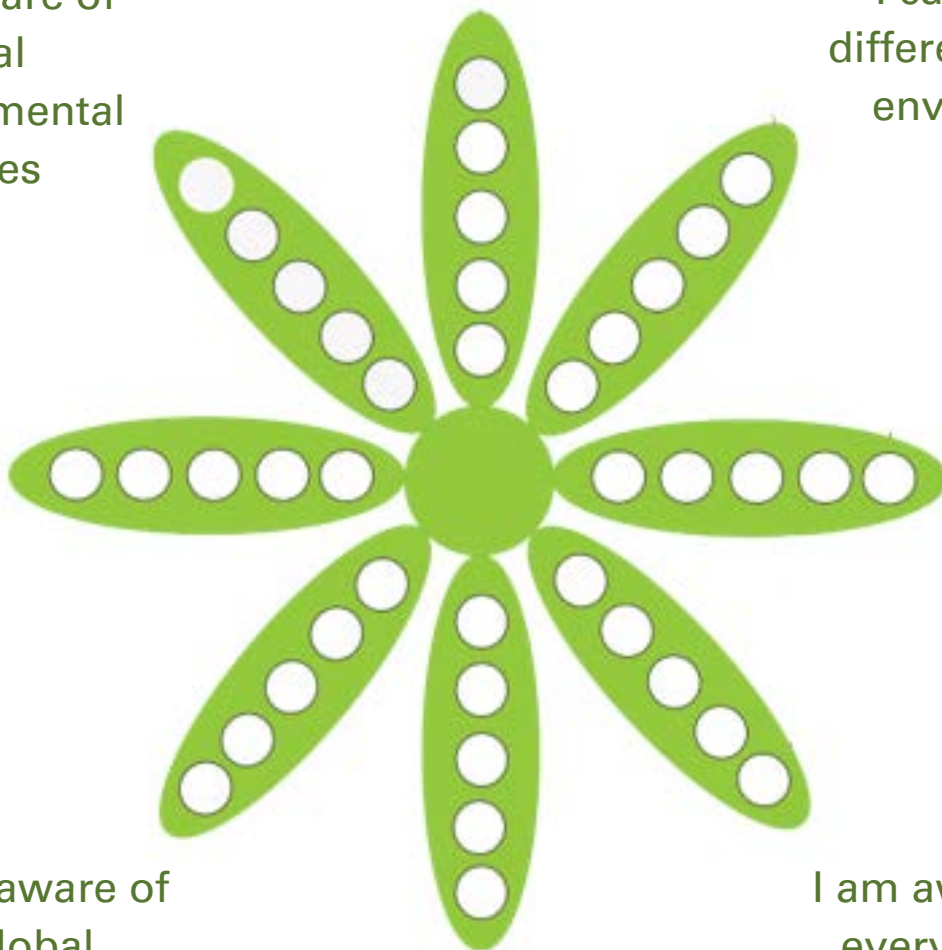

I know a lot about
the environment
and sustainability

I can make a
difference for the
environment

I am aware of
local
environmental
issues

I am
developing
new skills

I care about
the
environment

I am aware of
global
environmental
issues

I am aware how
everything in
the
environment is
linked

I feel confident
in myself

How have you benefited from taking part and what did you enjoy the most?
