7.COST SCORING METHODOLOGY

Costs will be evaluated on the basis using the figures provided in the application questions by all organisations to this this particular funding opportunity. Marks will be awarded using the **Lowest Price Methodology**.

In this methodology the lowest total cost scores **full marks** (100 marks) and the lowest total cost is divided by each of the other applications to this funding opportunity and multiplied by the marks available (100). The actual score therefore will be determined by the applicant organisations cost's distance from the lowest applicant organisations total cost. The cost is to include the following only;

- **Staff Salaries**
- **Programme Development**
- **Overheads**

These costs must be included on your application form where you are instructed to do so. **All assessment panel members will not have access to your costs or total marks awarded for cost.**

Applicants or Organisations who provide budget figures for funding opportunity in response to their application questions in will not be considered for assessment by panel.

Applicants will be required to submit a detailed budget breakdown using the template provided. You must submit your original Excel Spreadsheet and not a PDF Version or other file types.

Example of Lowest Cost Methodology
