Introduction

Introduction to Planned Intervention Baseline & Exit Surveys

Contained within this toolkit you will find;

- Paper based versions of the Baseline and Exit Survey's
- Printable QR Codes to share with your group to complete the surveys directly online

If you use the paper-based versions, organisations must still upload the information for each paper-based survey through the links below.

- Upload data from Baseline Paper based responses here –

  https://forms.office.com/e/Yn0W789ttN

- Upload data from Exit Paper based responses here –

  https://forms.office.com/e/cfJkJrCZcW

The Education Authority will not accept paper-based responses. Group must input this data themselves. Responses are monitored live and based on the delivery dates provided on your application all baselines should be upload after your first session with the group and directly after the last sessions for the exit survey's.

You need to provide your groups members with your camp ID (last three digits of your application ID) to complete the paper or online ersions of the baseline.
