
“This is ridiculous! We’re the only ones not having sex!”

“What’s wrong with you? Are you scared or something?”

“Don’t you trust me? I would never do anything to hurt our relationship.”

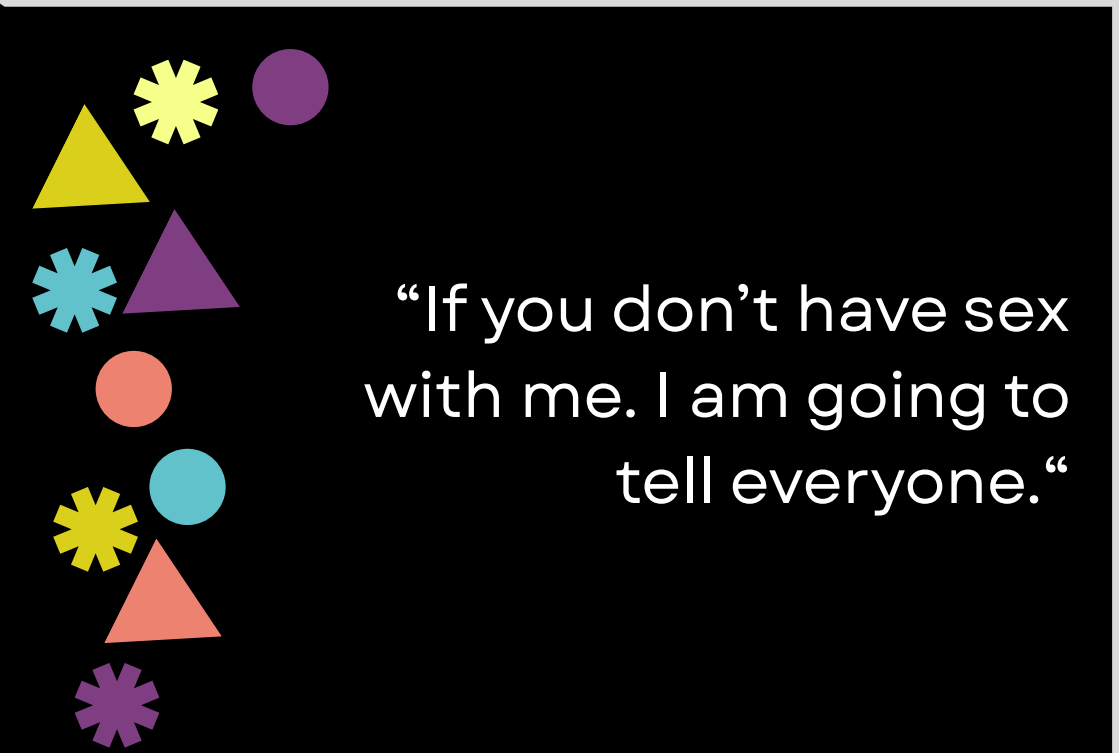

“This will bring us so much closer. If you love me, we’ll do this.”

“We’ve been dating for so long. What are you waiting for?“

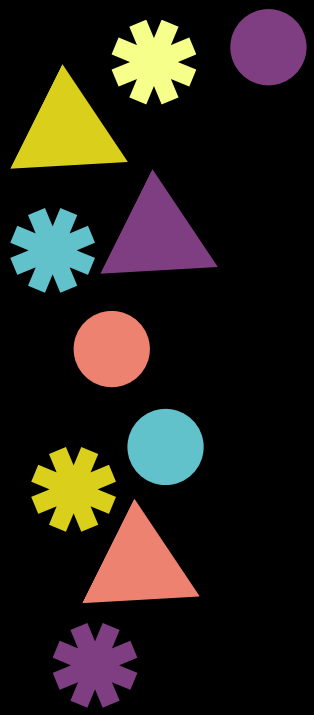

“If this is the way you really feel. I guess there’s no reason to keep dating”

“If you don’t have sex with me. I am going to tell everyone.“

“Why won’t you send me pictures? Don’t you love me?”

“Why are you not on the pill? I don’t want to wear a condom”.
